(c) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR): (a) There are 1703 Primary Health Centres sanctioned in the State of Rajasthan.

(b) and (c) As per the population norms, there is a requirement of 1590 Primary Health Centres in Rajasthan, as against which 1703 primary health centres have been sanctioned.

Safety at construction sites in Delhi

*310. SHRI RAJU PARMAR:
SHRI BHAGATRAM MANHAR:

Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether Government have banned the noise related construction activities after 10 p.m. and have also announced several measures to ensure safety at various construction sites in the NCT of Delhi;

(b) if so, the salient features of the instructions issued by Government; and

(c) whether any agencies have been formed to monitor the illegal construction activity after 10.p.m. and if not, the reasons therefor?

THE MINISTER OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI ANANTH KUMAR): (a) Yes, Sir.

(b) The Unified Building Bye-laws of Delhi 1983 have been amended to provide for proper stacking of building materials as well as removal of malba/construction activities on a weekly basis from the construction site. It has also been the endeavour to ensure that the property under construction is properly screened by erecting a screen wall/some other protective material and that no noise related activities are taken up for construction after 10. P.M. A copy of the notification is annexed as Statement. (*See* below)

(c) The Unifled Building Bye-laws 1983, Delhi are implemented through local bodies/agencies. Municipal Corporation of Delhi, New Delhi Municipal Council and Delhi Development Authority have intimated that no separate agency is required to be formed to monitor such construction activities taken up in contravention of building plans/Building Bye-laws after 10 P.M. The staff of the Building Department of respective agency/local body on receipt of complaints would look into the matter in areas falling under their jurisdiction.

Statement

Copy of the Notification issued by Government of India

GAZETTE OF INDIA
EXTRAORDINARY
PART-II, SECTION 3, SUB-SECTION (ii)
PUBLISHED BY AUTHORITY
No. 82 NEW DELHI, WEDNESDAY, JANUARY 23, 2002
MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION
(DELHI DIVISION)
NOTIFICATION

New Delhi, the 22nd January, 2002

S.O. 98(E)—In exercise of the powers conferred under Section, 56 of Delhi Development Act, 1957 the following amendments/ modifications are made in Unified Building Bye-laws, 1983.

Whereas the following modifications/additions which the Central Government proposed to make in the Building Bye-laws, 1983 in this regard were published for public information *vide* Public Notice dated 13th November, 2001 and was published in the Gazette of India Extraordinary. No objections/suggestions were received.

Whereas after thorough consideration, Central Government has decided to make the following Modifications/additions in the Building Bye-laws, 1983.

Now, therefore, in exercise of the powers conferred by sub-section (2) of Section 11A of the Delhi Development Act, 1957, the Central

Government hereby makes the following modifications/additions, to the Building Bye-laws, 1983 with effect from the date of publication of this Notification in the Gazette of India.

MODIFICATIONS:

(i) In Clause 6.5 (h), stacking charges, following will be added/ replaced:

— The Para-II will be replaced as under:

In case of plots above 418 sq. mts. of area, stacking in building material shall be done within the plot area. An undertaking for not stacking the material on Government land in the proforma given in Appendix M will be submitted at the time of submission of application for sanction of building plans.

Following para will be added after para III:

(iv) (i) The mulba during the construction will be removed on weekly basis. If the same is not done, in that case the local body shall remove the mulba and the cost shall be borne by the owner of the plot.

(ii) During construction, it is mandatory on the part of the owner to properly screen the construction site off the main road by means of erecting a screen wall not less than 8 ft. in height from ground level which is to be painted to avoid unpleasant look from the road side. In addition to this, a net or some other protective material shall be hoisted at the facades of the building to ensure that any falling material remains within the protected area.

(iii) Noise related activities will not be taken up for construction at night after 10 P.M.
